

ROSS TOWNSHIP DYE TEST CERTIFICATION FORM SUBMITTAL PROCEDURE

Dye Tests are required for ALL sales of residential and commercial properties in Ross Township and they are valid for 1 year. Dye Tests are required to verify that downspouts, exterior drains, springs, French drains and other storm water lines are not connected into the sanitary sewer system. Fresh air vents are to be elevated, or off set, to prevent storm water drainage into them. A Dye Test Certification form and fee must be provided for a property that is vacant land or if it is served by a septic system. Please make note on the form if it is vacant or septic. Dye Tests are not required for the refinance of a property. Please check the Allegheny County Real Estate Tax Assessment website, <http://www2.countyallegheeny.us/realestate/Search.aspx> to verify the last time a property has been sold. **Ross Township does not require an occupancy inspection for the sale of a property.**

The Ross Township Community Development Department handles the processing of Dye Tests only; Jordan Tax Service must be contacted regarding the issuance of lien letters. In order for Jordan Tax Service to prepare the paperwork necessary for a property to close, both requirements must be fulfilled; Ross Township (Dye Test Certification) AND Jordan Tax Service (lien letters).

The Dye Test Certification form is on the second page of this document

Procedure for submittal to Ross Township:

- Print out the Dye Test Certification form.
- Any registered Allegheny County plumber can perform the Dye Test.
- The plumber will complete the form once the property has **PASSED** the Dye Test.
- The Dye Test Certification form must be submitted to Ross Township. The form may be mailed in, dropped off, or emailed to **squigley@ross.pa.us**
- The Ross Township Certification fee is **\$50.00**. Please include a self-addressed stamped envelope with the remittance of the Certification Fee and an e-mail for sending out documents. All checks are made payable to "Ross Township".

It is the responsibility of those seeking the Dye Test Certification from Ross Township to make sure the Dye Test form and the \$50.00 certification fee are received in the Ross Township Office of Community Development in a timely manner.

Once the Dye Test form is certified by Ross Township, the property will be released to Jordan Tax Service. This is the only portion of the lien letter process that Ross Township is involved in. All other lien information and/or letters are handled by Jordan Tax Services (724) 731-2300.

After the Dye Test is certified by Ross Township, a receipt, the certified Dye Test form, and the Ross Township Dye Test Permit certification will be MAILED to the check issuer.
